

## **Sandhurst Freedom March - June 23<sup>rd</sup> 2012**

### **Welcome**

The Freedom March will take place along Yorktown Road and the Memorial Park on Saturday 23<sup>rd</sup> June 2012. This is a community event featuring activities and performances. The central focus of the event will be the Parade and March conducted by the Royal Military Academy, Sandhurst.

There will be also a full programme of activities including music, dance and other demonstrations and performances, community stalls, professional music performances and a fireworks display.

Indigo Blue Productions, as project managers for the event, would like to invite as many local groups and community clubs and associations as possible to join in with the day. **To participate**, all you have to do is download a registration form from [www.indigoblueproductions.com/SFM](http://www.indigoblueproductions.com/SFM) Once completed email this to [lisa@indigoblueproductions.com](mailto:lisa@indigoblueproductions.com)

### **Timetable**

The timetable is not yet set, so there are plenty of spaces available for people to suggest activities to do during the day.

### **Ideas**

We would like to see as many different activities as possible, so if you run an activity that you would like to showcase, please let us know.

We will be running a number of displays throughout the day, both in the main arena area on the Brookside Meadow and on a stage that will be erected. If your group would like to put on a performance, then please indicate that on the application form or when you contact us.

### **Community Stalls**

The Sandhurst Town Council and Indigo Blue Productions cannot provide equipment for individual stall-holders. For example If you require a table with a marquee, then you will need to bring that with you. For all stall holders there will be an opportunity to park **one** car behind the stall.

(if you have a vehicle that is larger than an average saloon car, please let us know).

If you would like to run a stall, you will need to have Public Liability insurance for the event and supply everything you need for the stall or activity. Please note, if you do not have insurance for your group already, Indigo Blue Productions have negotiated a deal that allows you to buy a temporary policy through us for £15 per group, for the day.

### **Pass on the word**

If there are people you think would be interested in taking part, the best way for us to get as much of the community as possible involved, is by word of mouth – so please pass on these contact details and ask them to get in touch. We hope to make this the biggest and best event yet!
